Subject: Intimation for Participation in Tech Show- **GITEX Africa 2025**

Ref: M/s CapitalNumbers Infotech Limited (Scrip Code: 544343)

Dear Sir/Madam,

Pursuant to the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, we wish to inform you that M/s **CapitalNumbers Infotech Limited** will be participating in the GITEX Africa 2025, scheduled to be held from 14/04/2025 to 16/04/2025 at Marrakesh, Morocco.

GITEX Africa offers Capital Numbers the chance to engage with tech leaders, startups, and investors, with a focus on exploring the growing tech landscape and identifying emerging opportunities across the continent. With over 45,000 visitors, 1400 exhibitors, and more than 660 influential speakers, GITEX Africa brings together innovators, business leaders, and decision-makers from Morocco, Nigeria, Egypt, Kenya, South Africa, Ghana, Senegal, and beyond. This makes it a vital platform for Capital Numbers to showcase its expertise, build strategic partnerships, and strengthen its presence across Africa's rapidly growing tech landscape.

Our Designated Senior personnel and Digital Transformation Managers will represent the company at the event.

We consider this participation as a step forward in our business growth strategy and a potential driver of future revenues.

Kindly take the same on record.

Thanking you,

Yours faithfully,
For **CapitalNumbers Infotech Limited**

Kolkata, West Bengal, India, April 4, 2025 - Capital Numbers, an award-winning [software development company](#), announces its participation in GITEX Africa 2025, set to take place from April 14th to 16th, 2025, in Marrakesh, Morocco. As Africa's largest technology and startup show, GITEX Africa offers Capital Numbers the chance to engage with tech leaders, startups, and investors, with a focus on exploring the growing tech landscape and identifying emerging opportunities across the continent.

With over 45,000 visitors, 1400 exhibitors, and more than 660 influential speakers, GITEX Africa brings together innovators, business leaders, and decision-makers from Morocco, Nigeria, Egypt, Kenya, South Africa, Ghana, Senegal, and beyond. This makes it a vital platform for Capital Numbers to showcase its expertise, build strategic partnerships, and strengthen its presence across Africa's rapidly growing tech landscape.

With a team of 500+ tech experts proficient in 50+ technologies, Capital Numbers, India's top-rated software development company, will showcase its expertise at GITEX Africa 2025 in key areas such as [AI/ML development](#), cloud engineering, web and mobile development, data engineering, enterprise software development, e-commerce development, and quality assurance and testing. The company has built a strong reputation across multiple sectors, including health tech, edtech, fintech, retail, and e-commerce, delivering bespoke solutions tailored to meet the unique demands of each industry.

With 250+ global clients, including enterprises, SMEs, and tech companies, Capital Numbers ensures a seamless experience with a highly proficient English and Arabic-speaking team. The company offers flexible engagement models such as on-site, nearshore, and offshore allocations, along with agile, and fixed-price approaches, enabling clients to choose the most suitable option based on their specific project needs and budget.

For Capital Numbers, GITEX Africa is more than just an exhibition; it's a chance to connect, collaborate, and shape the future. The company is not just presenting its tech expertise; it's engaging in dynamic conversations with potential partners, startups, and investors to build tailored solutions that drive business growth in today's fast-evolving landscape. Visitors of GITEX Morocco are invited to visit Capital

Numbers at Hall 3, Stand 3E-4, from April 14th to 16th, 2025, to meet its strategists, discuss challenges, and discover how the company's bespoke tech solutions can fast-track their journey to digital transformation and operational success.

Mukul Gupta, CEO of Capital Numbers, shared his thoughts on the event, "***GITEX Africa presents a crucial opportunity for us to engage with the rapidly evolving African market, which is experiencing unprecedented growth in the tech and digital sectors. With a rising demand for innovation, Africa is becoming a hub for digital transformation, making it an exciting time for businesses to use advanced technologies. Our goal is to empower startups and enterprises to unlock this potential by utilizing AI, cloud, and data solutions to scale and succeed. The conversations we would have here will help us better understand the region's unique challenges, allowing us to deliver impactful solutions that support Africa's rapid digital growth.***"
