Subject: Press Release – Capital Numbers to exhibit at Seamless Digital Commerce 2025 in Dubai

Dear Sir/Madam,

Pursuant to the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, we wish to inform you that M/s. **CapitalNumbers Infotech Limited** announces its participation in Seamless Digital Commerce 2025, scheduled to be held from 20/05/2025 to 22/05/2025, at the Dubai World Trade Centre.

Spanning eight focus areas, including Payments, Fintech, Banking, Identity, Cards, Retail, E-commerce, and Digital Marketing, Seamless Digital Commerce 2025 offers a comprehensive look at the technologies and strategies shaping the future of digital commerce. The event is designed to spark conversations around innovation, market shifts, and scalable transformation. In line with this agenda, Capital Numbers will contribute its perspective on emerging trends and demonstrate how its solutions are helping businesses adapt and grow in a rapidly changing digital landscape.

Our Designated Senior personnel and Digital Transformation Mangers will represent the company at the event.

We consider this participation as a step forward in our business growth strategy and a potential driver of future revenues.
Kindly take the same on record.

Thanking you,

Yours faithfully,

For **CapitalNumbers Infotech Limited**

Mukul Gupta
Managing Director & CEO

Encl: As stated above

Capital Numbers to Exhibit at Seamless Digital Commerce 2025 in Dubai

Kolkata, West Bengal, India, May 12, 2025 - Capital Numbers Infotech Limited, an ISO 9001, ISO 27001, and SOC 2 Type II certified software development company, announces its participation in Seamless Digital Commerce 2025, taking place from May 20 to 22, 2025, at the Dubai World Trade Centre. Held under the patronage of His Highness Lieutenant-General Sheikh Saif bin Zayed Al Nahyan, Deputy Prime Minister and Minister of Interior, the event will bring together more than 25,000 attendees, 750+ exhibitors, and 800 speakers. Focused on "The Future of Digital Commerce," it is one of the region's most impactful platforms for exploring new technologies, business models, and digital growth opportunities.

Spanning eight focus areas, including Payments, Fintech, Banking, Identity, Cards, Retail, E-commerce, and Digital Marketing, Seamless Digital Commerce 2025 offers a comprehensive look at the technologies and strategies shaping the future of digital commerce. The event is designed to spark conversations around innovation, market shifts, and scalable transformation. In line with this agenda, Capital Numbers will contribute its perspective on emerging trends and demonstrate how its solutions are helping businesses adapt and grow in a rapidly changing digital landscape.

At Seamless, Capital Numbers will showcase its extensive services in AI/ML, blockchain, IoT, web and mobile application development, cloud engineering, data engineering, quality assurance and testing, and e-commerce development. The company's solutions are built to support businesses at every stage of their digital journey - from initial product strategy to robust full-cycle engineering and post-launch optimization. By integrating cutting-edge technologies with agile methodologies, Capital Numbers enables clients to innovate faster, optimize operations, and scale securely in competitive digital markets.

Capital Numbers also brings deep sectoral expertise in EdTech, FinTech, Retail, and E-commerce, having partnered with businesses to drive transformation, improve user experiences, and launch mission-critical platforms. The company's client base spans startups, SMEs, and large enterprises, benefiting from its commitment to performance, personalization, and future-focused delivery.

Commenting on the upcoming event, Mukul Gupta, CEO of Capital Numbers, stated: "***Seamless Digital Commerce offers a unique platform for Capital Numbers to engage with the fast-growing digital commerce ecosystem in the region. As the Middle East continues to lead the way in digital transformation, we see immense potential in sectors like fintech, retail, and e-commerce. Our goal is to help businesses unlock that potential with innovative solutions in AI, blockchain, and scalable e-commerce, enabling them to thrive in an increasingly digital-first world***".

Visitors and participants can connect with the Capital Numbers team at Hall 2, Stand E-48 at the Dubai World Trade Centre from May 20 to 22, 2025. The team will be available to explore potential collaborations, discuss custom development needs, and offer consultations on how their digital solutions can drive business growth. Throughout the event, Capital Numbers representatives will engage in strategic discussions and share insights on the latest trends shaping the tech ecosystem.

Attendees interested in exploring Capital Numbers' digital solutions can complete this [online form](#) to schedule a personalized one-on-one consultation.

Summary

Capital Numbers will showcase its future-focused digital solutions at Seamless Middle East 2025, empowering industries with transformative technologies.
