FINE PRINTS

1. Volume discounts available
2. Additional features available upon request after consultation
3. Packages prices may be reduced for smaller websites or reduced needs.
4. Same package rates are also applicable for a redesign of existing websites
5. Version upgrade of WordPress, if required, may involve additional charges.
6. It is assumed that any paid inputs procured from 3rd party providers including extensions, images, themes, logos, content, templates, and API keys that may be required during the development of the platform will be provided by the client during the development.
7. Hosting accounts and SSL for the website will be provided by the client during the delivery of the website or purchase separate from Capital Numbers
8. In the case of custom design, Capital Numbers will design the site to be fluid responsive for mobile, tablet, and desktop devices down to as small as 320 pixels width compatibility (iPhone 6 and up).
9. Pricing may vary due to specific complexity with your requirements.
10. The delivery timeline is subject to timely approvals and feedback from the client.
11. All websites are made using Elementor or Visual Composer
12. No content migration is included.
